Well yours looks like mine and mine looks like yours  
 We thought we were brave We thought we were cool but  
 Fath - ers and mothers and sis - ters and brothers and  
 The one on the left and the one on the right can't

That's just the way they sell them in stores Then the  
 we all were broken by the teach - ers at school Now  
 all of the people who whis - per they love us  
 tell them a - part try as you might but a

new one comes out but it on - ly costs more for  
 every - one's a - fraid to break an - y rules No  
 all took up sides and turned on the others and  
 wise man once said that the sec - ret to life is to

some - thing that still looks the same.  
 won - der it all looks the same.  
 that's how they woun - d up the same.  
 find one that don't look the same.
